Email of Coordinator:	jaspinder2112@gmail.com
Objective of the event	• To warmly welcome the newly admitted MLS students to the institution. • To familiarize freshmen with the department, faculty, campus, and academic environment. • To provide students with motivation and guidance regarding the Medical Laboratory Sciences profession. • To encourage students to actively participate in academic, cultural, and co-curricular activities.
Outcome of the event	• Freshmen were introduced to the Department of Medical Laboratory Sciences and its faculty. • Students gained motivation regarding their chosen profession and future career. • The expert interaction provided students with professional insights into the field of Medical Laboratory Sciences. • Students became familiar with the campus, activities, and academic environment. • Cultural activities encouraged student participation, confidence, and interaction. • The programme created a positive and welcoming beginning to the students' academic journey.
Event/ Activity Report: The Allied Health Sciences Division I, Department of Medical Laboratory Sciences, organized the Freshmen Orientation – MLS 2026 on 10 July 2026 at the Seminar Hall. The programme was	

organized to warmly welcome the freshmen and provide them with an introduction to the department, campus, faculty members, and various academic and co-curricular opportunities.

The programme included the introduction of the Department of Medical Laboratory Sciences, faculty members, campus facilities, and various activities available for students. The freshmen were also briefed about the academic environment and encouraged to actively participate in departmental and institutional activities.

An Expert Talk was conducted by Dr. Manish Rai, Director, Rotary & Blood Bank Society Resource Centre, Chandigarh. During his interaction with the students, he shared insights about his professional work and highlighted the importance and significance of Medical Laboratory Sciences in the healthcare sector. His experiences and motivating words encouraged the freshmen to understand the value of their chosen profession and inspired them to develop a positive and dedicated approach towards their studies and future careers.

The orientation programme was further enriched with various cultural performances, including dance, singing, modelling, and motivational speeches by the students. These activities provided the freshmen with an opportunity to showcase their talents and interact with their peers in a lively and welcoming environment.

Dr. Meenakshi Anand, HOI, also addressed the students and shared motivational words and guidance, encouraging the freshmen to make the most of their college journey, remain focused on their academic goals, and actively participate in campus activities.

The programme concluded on a positive and motivating note. The orientation successfully provided the freshmen with a warm welcome, professional motivation, and an introduction to the academic and cultural environment of the department.
